

# WHO'S IN CHARGE?

## TOWARDS A LEADERSHIP OF SERVICE

Tues 3<sup>rd</sup> and Wed 4<sup>th</sup> November 2009

We're living through confused and anxious times. It's a time for **reflection** and **self-examination**.

*How did we get to where we are?*

*Where do we go to from here?*

This has to be a watershed period - coming at great cost. It is important that all of us, at every level, go through a period of self-examination and reflection.

*What's our vision for the future?*

*What kind of values will shape that future?*

*What kind of leadership do we want to take us there?*

These are the questions posed in Conference 2009.

We have invited international, national, and local speakers to help us deal with these extremely relevant topics; including amongst others:

*Ray Kinsella, Professor of Banking and Financial Services, UCD*

*Philip Lowe, Director, Competition DG, EU Commission*

*Dearbhail McDonald, Legal Editor, Irish Independent*

*Fr. Michael Rodgers, Director, Tearmann Spirituality Centre, Co. Wicklow*

You, your local community, organisation or institution could benefit from this conference. It is current, timely and will dig deep. For further information see [www.ceifin.com](http://www.ceifin.com).
